## Managers greeting

Welcome to all our fellow parkies and travellers to the Victor Harbor Beachfront Holiday Park.

Well our busy Christmas and New Year has drawn to an end, a very busy and successful holiday season for all. Our guests have had the opportunity to enjoy our fantastic accommodation and facilities. The pool has been a huge success once again throughout the holiday break with both young and old. As has the jumping pillow always is with the children. We were also pleased to see the turnout of families attending our movie nights which were screened in the community room, the kids seemed to enjoy the family movies shown, with the favourite being the new movie 'The Smurfs'.

Once again this year we were delighted to host the Victor Harbor Scripture Union Family Mission group in the park. Group organiser Mark and his staff invite all our guests and their children to enjoy their fun filled activities program during the holidays. Our park also hosted a variety of fantastic free holiday activities which our guests and their children seemed to love. We did teddy bear making which we had a huge attendance for, as well as biscuit creating which had the children making funny face on biscuits using a variety of lollies. Photos of our activities will be display on our website and on our Facebook page.

We are looking forward to accommodating several groups over the next few months, a few being the ARPA Bushwalkers group and the SA Caravanners Club. For more information on group bookings be don't hesitate to contact the front office staff for more information.

We would like to thank all our departed guests and future guest for choosing to stay with us here in our park and we hope to make your stay a happy and memorable time while making wonderful memories with your families and friends.
